

Dear Sir/Madam,

I am writing to apply for the job position at your company. I have recently completed my diploma in Software Engineering from the National Institute of Business Management (NIBM) in Sri Lanka, where I passed with distinction. Currently, I am continuing my higher studies in the same field.

I have practical experience with technologies such as JavaScript, MongoDB, ExpressJS, ReactJS and NodeJS . Additionally, I have a strong understanding of database management, SQL, object-oriented programming, and design patterns.

I am highly motivated to develop scalable and efficient software solutions. My attention to detail, time management skills, and problem-solving abilities will help me contribute effectively to your team. I am eager to join your company and bring my skills and enthusiasm to your projects.

Thank you for considering my application. I look forward to the opportunity to discuss my application further.

Sincerely,

Malindu Hettiarachchi

Undergraduate

National Institute of Business Management (NIBM)
